

THAILAND FILMAZING PACKAGE PARTNER

# YOUR PRODUCTION HUB & LOCAL COORDINATOR IN BANGKOK

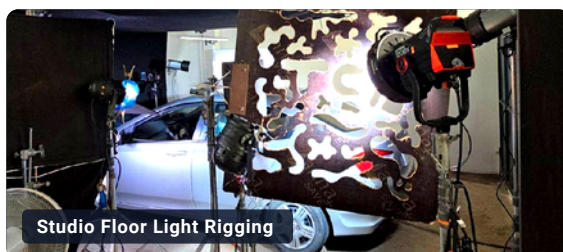

All-in-One Space, Permitting & Inbound Production Services for International Shoots

Inbound Crew & Production Management

Basecamp & Exterior Rigging

Studio Floor Light Rigging

## FROM PERMITS TO PRODUCTION: SEAMLESS INBOUND SUPPORT

### Licensed Local Coordinator

Official facilitation for foreign productions in Thailand, including Thailand Film Office (TFO) filming permits, foreign crew work permits, business visas, and inter-agency clearances.

### FILMAZING

Assist to Thailand's international production incentives, cash rebates, tax exemptions, and specialized support schemes designed for global media productions.

### Full Production Ecosystem

End-to-end turnkey handling from initial location scouting, technical crew and gear sourcing, to dedicated studio-based production offices and staging bases.

## PRODUCTION HUB & AMENITIES

Tailored for Commercials & Features

- Temporary Production Office & Basecamp setup in Bangkok
- Dedicated Casting & Fitting zones, Makeup station & Crew station
- High-speed dedicated Wi-Fi supporting live stream feeds & remote director monitors
- Seamless ground-floor loading bay access for a truck and equipment

# VERSATILE SHOOT SPACES CRAFTED FOR CREATIVE FREEDOM

Adaptive architectural zones offering natural daylight, controlled blackout stages, and exterior courtyards.

## Window Room

90 SQ.M

Airy, sun-drenched loft environment featuring polished concrete textures and abundant natural daylight. Designed for fashion, editorial photography, and natural-light commercial shoots.

## Wood Room

70 SQ.M

High-ceiling industrial loft space featuring exposed steel beams, rich authentic wooden flooring, and raw vintage textures. Ideal for cinematic narratives, music videos, and bespoke retro set.

## Room #C

95 SQ.M. FLOOR AREA

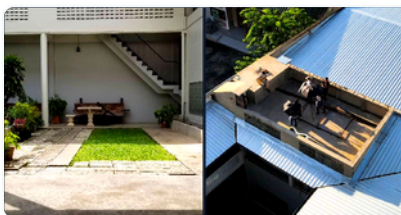

Generous L-shaped studio with 100% controllable light conditions. Perfect for precise commercial lighting setups, product shoots, and pick-up scenes, featuring wide ground-floor equipment access.

## Room #B

38 SQ.M.

A flexible studio setup configured for casting sessions, actor auditions, fitting & wardrobe prep, or live-stream broadcasts with dedicated climate control and lighting setups.

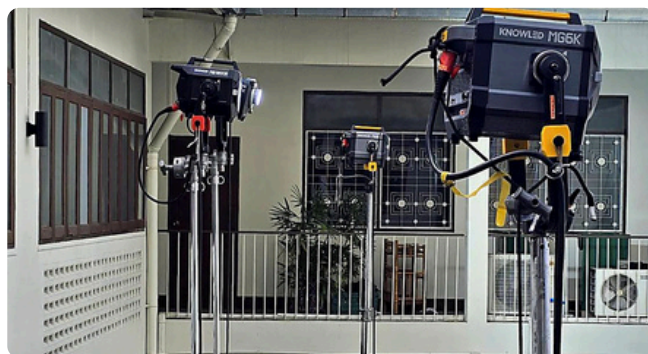

## Outdoor Courtyard & Rooftop

EXTERIOR STAGING

Open-air tropical courtyard suited for outdoor/lifestyle scenes and overhead lighting rigs, complemented by an open rooftop space offering unobstructed daylight angles.

## THE FILMAZING PACKAGES

Tailored space and inbound coordination tiers engineered for any production teams.

### EXCLUSIVE BUNDLE RATES APPLY

All packages can be tailored to fit your specific production requirements.

## INTEGRATED PRODUCTION PACKAGES (Studio Facilities & Production Services)

Preferential bundle rates available for combined space rental and on-ground coordination.

### TIER 1

#### Pre-Production & Casting Base

Dedicated rental of Studio B or C paired with official filming permit filing services. Designed for setting up your Bangkok production office, conducting talent auditions, and managing crew logistics.

### TIER 2

#### Single-Day / Pick-up Shoot Package

A comprehensive 12-Hour studio facility rental with full on-site camera/lighting support. Designed for commercial campaigns, fashion lookbooks, and pick-up shoots for international features.

### TIER 3

#### Full Inbound Turnkey Package

Leverage Location 33 Studio as your operational production basecamp, paired with Roseland Pictures' end-to-end Local Film Coordinator services—spanning government permits, visa facilitation, crew hiring, logistics, and on-ground production management.
